Blood Poisoning Causes Death of Frederick Miller—Farwell Reception to Rev. and Mrs. E. C. Ingalls.

**Frederick Miller, Foreman at Clarence L. Brackett's sawmill, located in East Haddam, died at the New Haven hospital Monday night. Mr. Miller had a small pimple on his hand and squeezed it. His hand began to swell, blood poison set in and he was taken to the hospital. He was about 35 years of age and was well known in this place. He was a fine, promising young man and well liked by all.**

# COACHES SHAKE UP YALE VARSITY

**Determined to Eliminate Fumbling—Scrubs Unable to Penetrate Varsity's Defense—Francis Shifted to End—Cooney and Paul in the Game.**

New Haven, Conn., Oct. 17.—There was something in the nature of a shakeup in the Yale varsity football team when it lined up against the scrubs this afternoon. Francis, who has been playing guard, was put at end in place of W. Howe, who was sent to the second team. Cooney, who has been out of the game, was at center, and Paul, last year's tackle, was in his old position for the first time since the first of the season, when he was injured. Freeman was at fullback in place of Spalding. Captain Howe, Scully and McDevitt, saving themselves for the West game, were not in the lineup. With the ball in the center of the field, the varsity scored on the scrubs easily, while the latter were unable when the ball was put on the ten yard line to get through the varsity line.

**PHILADELPHIANS GO WILD OVER BASEBALL VICTORY.**  
Business Men and Office Boys in Snake Dance Around City Hall.

Philadelphia, Oct. 17.—A wave of enthusiasm such as probably never before was witnessed in this city rolled over Philadelphia this afternoon when word of the Athletics' second victory over the Giants was flashed to this city. Thousands of persons had gathered wherever a score board could be viewed, and on the broad plaza of the north side of City hall, where an electrical device showed the game play by play, a crowd larger than usually gathers at the baseball parks was assembled.

**Next to Joy at the news of the victory, which most of the local sports men think insures the retention of the world's championship title here, was the gloom over the spiking of Baker by Snodgrass.**

**AUTOMOBILE TO COBB.**  
Given Because He Excelled All Other Players in Value to Team.

New York, Oct. 17.—Before the start of the world's series game at the Polo Grounds today, Ty Cobb of the Detroit team in the American league was presented with an automobile, which had been awarded him by a commission of baseball writers at the players' dinner league who had been of greatest assistance to his team during the season.

**NORWICH FANS JUBILANT.**  
Cheers For Athletics As Bulletin's Megaphone Gave the Game on Tuesday.

Again on Tuesday as on Monday and Saturday, a good sized crowd of Norwich baseball fans showed their appreciation of the service rendered by the Bulletin and spent two hours of the afternoon listening to the megaphone announcements of the play in New York of the third game of the world's series between the New York Yankees and the Philadelphia Athletics.

**DAY OF FLUCTUATIONS.**  
Prices Decline in Morning, Recover in Afternoon.

New York, Oct. 17.—The uncertain and confused state of sentiment in the securities market at present was shown by the fluctuations of stocks today. Prices declined sharply in the morning, seemingly for no better reason than that what were construed as indications that the department of justice was about to make further moves against large corporations. In the afternoon the market recovered somewhat, but not to the point at which it was at the opening.
